

Train the **spotlights** on these KEY HIGHLIGHTS OF CAREER USTAV 2018

Here's a quick look at some of the distinctive features of **Career Utsav 2018** that are designed to make the event stand out and offer students both information and engagement

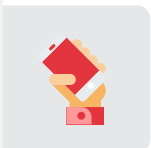

Design Pavilion

Design today is a broad & rapidly evolving field. Pragmatism meets creativity in this unique career and Career Utsav is up-to-the-minute with all the action in the field. Find here a Design Pavilion that showcases a Maker's Lab, Installation Display, and Dedicated Workshops & Alumni Portfolio. It also features counseling and mentoring pavilion that offers increased brand visibility.

E-Learning/Online Examinations

With the medium of education moving increasingly online, we understand the importance of advanced online learning and examination systems and therefore, provide such systems to allow students to make the best use of the educational offerings.

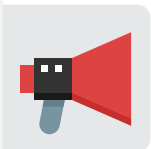

Our Own Mobile App

Nothing achieves stickiness like a Mobile App. Our comprehensive Mobile App will be launched for increased engagement and continued interaction with the target audience.

"Google Boy" to "Awe" you with his talent!

With an IQ that matches none other than Einstein's, Kautilya Pandit, a 10-year-old boy from Haryana, will leave you speechless with his remarkable ability to recall tutored facts.

Merchandise Galore

The launch of an extensive range of attractive and quirky merchandise designed exclusively for the target audience.

Amplification of Student Reach

Facilitation of longer engagement of target group by inviting Class 11th students to join the event for interaction and long-term engagement.
